

Saint-Jean-de-Daye / Carentan-les-Marais

La Vélo maritime / EuroVelo 4

You leave behind the typical Normandy hedge-divided fields to enter wetlands boasting an impressive network of channels and canals. The Vélo maritime here also leads you into the heart of one of France's main horse-breeding areas. Keep your eyes peeled for signs indicating the way to local racecourses. Reaching Carentan, nestled in the Baie des Veys, its yachting harbour immediately takes you back to a coastal atmosphere on your cycling adventure.

The route

Along minor roads with little traffic, meandering through hedge-divided fields before continuing on to Carentan via the Vire-Taute Canal.
